Tuning Fork Quartz Crystals
32 kHz, 32.768 kHz, 100 kHz, 30 kHz - 2MHz

Low Power Tuning Fork Oscillators
32.768 kHz, 100.000 kHz

Ultra-Low Power Real Time Clock Modules
I2C, SPI, temp. compensated, AEC-Q200

MHz AT-Cut Quartz Crystals
8 MHz - 250 MHz

MHz Clock Oscillators
32.768 kHz, 10 kHz - 225 MHz
Up to 210°C

VCXO, Voltage Controlled Oscillators
5 MHz - 40 MHz
Up to 210°C

OCXO, Oven Controlled Oscillators
10 MHz - 120 MHz
Up to 85°C

DEVELOPMENT TOOLS / DISPLAYS

IAR SYSTEMS

Complete range of **Embedded Workbenches** for 8-, 16- and 32-bit microcontrollers from different chip manufacturers, consisting **of C/C++ Compiler**, **Debugger**, **Code Analysis Tools** as well as **State Machine Tools** and **Debugging and Trace Probes**

Functional safety versions available certified according to IEC 61508 (Industrial), ISO 26262 (Automotive), EN50128 (Railway), EN 50657 (Medical), IEC 62304 / ISO 25119 (Agriculture & forestry), ISO 13849 / IEC 62061 (Machinery control), IEC 61511 **(**Process industry) and IEC 60730 (Household appliances)

EQUINOX TECHNOLOGIES

Complete range of portable **In-System Programming (ISP) programmers** designed for field-service and production ISP applications

Device family support for AVR as well as 8051, ARM and Serial EEPROMs from different chip manufacturers

HANTRONIX

Color TFT Modules

OLED Modules

Graphic Module
COG, Color STN, Monochrome

Character Modules
COG, Standard

Custom Glass LCD Panels

Santek

Standard, Bar Type, Sunlight Readable and **Custom Glass TFTs**

Standard OLEDs

E-Paper Displays

Touch Panels and **Multi-Touch TFT-LCD Modules**
LED Light Panels

COMPANY

ANATEC AG, founded in 1978, is well known by Swiss customers as distributor with excellent technical support for Electronic Components, Displays, Development Tools and Power & Networking Solutions. With an efficient, reliable team, we understand ourselves as a design-in distributor.

As a distributor and representative of leading manufacturers we guarantee our customers professional service, regarding design-in competence, logistic solutions and aftersales support.

To maintain the high quality level, we are ISO 9001 certified since 1997.
